

## New Zealand Veterinary Association Awards

### President's Award

The New Zealand Veterinary Association (NZVA) recognises that certain individuals, or organisations, accomplish extraordinary achievements on behalf of the profession and as such need to be acknowledged.

This Award recognises meritorious service to the veterinary profession in the broadest sense.

### Outstanding Service Award

The Outstanding Service Award was established in 2002 to recognise individuals who deserve special recognition for service on behalf of the New Zealand Veterinary Association (NZVA). The Board aims to recognise the service of our volunteers, who each help us to ensure the profession's contribution to the country's economy, and animal health and welfare is recognised and valued.
